Foreword

ONE MINT JULIP

We have chosen as our "1954 La Mezcla" theme the jazz of the past and present.

During the past year we have achieved many things. Our new gymnasium was built; the old gymnasium was remodeled into a shop for the boys; the cafeteria was refinished so that it could not only serve as a lunch room but also as a study hall.

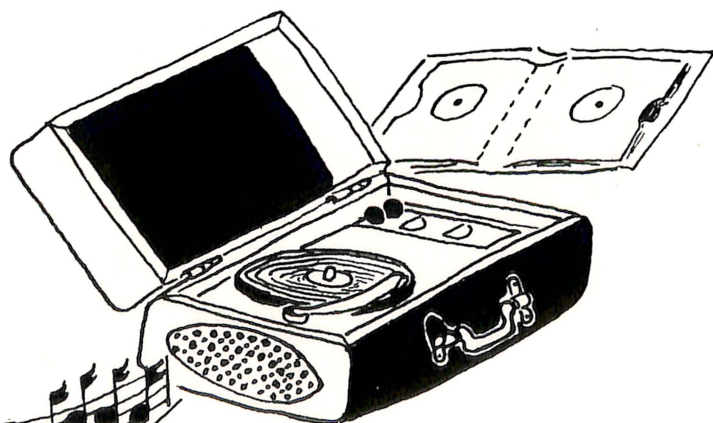

This year's annual is a reflection of the new evaluation of the high school years. Now, one finds an increased emphasis placed upon the high school student and an evergrowing number of new activities and new vocational course.

In the preparation of this book, we, the staff, have tried to present to you life in Armijo, as we have lived it.

We have centered the book around you, the students. We, the staff, hope that you will look upon it in later years as a reference to your carefree days.

Dedication

To Mr. Boyd Draper:

We dedicate this "1954 La Mezcla" to a person who, in our estimation, rates very high, not only as a teacher, but as an individual. He has helped a great deal with all our school funds and also with the business section of our "La Mezcla." So, to a wonderful, patient, and understanding teacher, we of the "1954 Class" dedicate this book.

Principal's Message

What does it mean to you to make a discovery? The answer to the question depends somewhat upon what you are seeking. In California, the discovery of gold changed the history of the world, as well as that of our great state. Today, though, it is not gold you seek in order to bring the best to mankind. An exciting and new adventure awaits those of you who are willing to find some particular human need. Men and women have discovered the richest of rewards by devoting a lifetime to fulfilling man's needs. To mention a few names we would include Thomas A. Edison, Madame Curie, Booker T. Washington, and Albert Schweitzer. At graduation time you should pause long enough to think of your relationship to the needs of life. You may make a discovery which would change the course of your life and give you the opportunity to serve well your fellow men.

Along with other questions you should consider these: What is the greatest need in the world today? Could it be the need for leadership, an outstanding leadership which would carry mankind to an even higher plane? What human need exists concerning which I could make the finest contributions within the range of the abilities and talents that I possess?

One fact is evident. With the class of 1954 goes an ever increasing responsibility. This greater responsibility is due largely to the growth of population and the achievements we are experiencing through our democratic form of government. If you are willing to accept your full responsibilities, greater opportunities are available to you.

One final thought to the graduates of the Class of 1954. . . would the discovery you make produce the best that you have to offer? Always remember that the best you have ever done should not be the highest standard you reach for the balance of your life.

The best of success and happiness to each of you!

We entered as mere papooses many moons ago, where as papooses we mingled with the braves, and the squaws. To help us through the year we chose as our leaders Kenny Hayes, Alberta Dodds, and Barbara MacKnight.

In social science we were taught to dance. Then the big moment came, the Freshmen Reception. The squaws were hopeful of dancing with the heap big braves, and the braves had to be pushed out on the floor. Our first annual spring picnic at the Vacaville pool was our introduction to a tradition that marks the closing of every school year.

We were on our second trail, with Stanley Scrivner, Jim Cupp, and Sharon Rossi as our little chiefs. We gained courage, and personalities began to emerge. Our Sophomore Hop was a gala affair with a valentine theme. We danced to the music of Phil King's Orchestra. Eddie Diaz and Dean Cullum were our King and Queen for the occasion.

Rolling into the third trail we found ourselves surprisingly changed: we were now upper classmen! As our chiefs we chose George Cardoza, Mickey Harper, and Bertha Lee. With King Neptune Presiding over our Junior Prom, we danced to the music of Everett Nourse.

Then, at last, we were full fledged seniors--the Big Chiefs of the Armijo Reservation. As our Big Chiefs' leaders we chose Mickey Harper, Harold Lippstreu, and Joan Bennett. A new office of treasurer was set up with Stanley Scrivner as our other chief. These officers raced us through our Senior year with the annual Senior Ball, the banquet and the long awaited graduation.

Although we will vanish from sight, we will remain within the walls of our Alma Mater in spirit. And so as the graduating class of "54" we emerge into the world with fond memories of the four happy years well spent at the Armijo Reservation.

The majorettes, Josie Minakata, Sonda Kay Williams and Cathy Newcomb were also outstanding in their new uniforms. Warren Sheldon, the drum major, certainly looked impressive in his flashy white uniform with gold braid. Our school can be proud of these active students.

Champs

For the third consecutive year the Armijo Varsity "Indians" won the SCAL Championship. They also had a good all round season by winning 10 games and losing 12.

The Indians this year were led by Ed Diaz, high scorer; Bruce Bergman and Harold Lippstreu, who between them got most of the rebounds and were excellent on defense. Ed Reeves and Joe Flores were also unusually valuable to the team with their defensive abilities. The second stringers who practiced against them and gave them a rest during the games were Buddy Tonneson, Homer Meyer, Bill Misa, Wayne Little, Ray Robinson, and Jim Boyd.

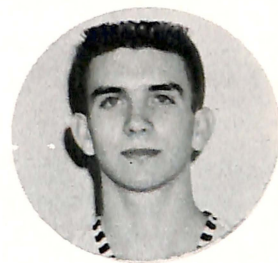

Armijo was invited to two tournaments this year. The Vallejo Tournament in which the Indians won the first game but lost the second. In the Gridley Tournament the Indians fought to third place. They won the first game by beating Anderson High. The second game they lost to a very classy team from Sacred Heart of San Francisco. They copped third place honors by beating Woodland High.

The seniors who played their last game at Armijo were, Ed Diaz, Harold Lippstreu, Ed Reeves, Jim Boyd, and Ray Robinson.

Joyce to a very wonderful gal and friend all the
luck in the world to you and Johnnie.

We have gone to school together for a long time
and each year you've become a better friend to
me. Always helping me figure out my troubles
even when at times there is nothing to them.
Just think Joyce it sure won't be so long
until you Mrs. John Endrey and if things
go right for Bob I'll be Mrs. Bob Mahaney.

Always I shall remember our long talks
together and how we have worked out our
misunderstandings. You know by now I've
got a pretty bad temper but have gotten
to the place where I can control it. Thanks
to you and Ed. Ed, you and I sure have
had the good time together getting in
a lot of trouble but it sure was fun.
You sure have your self a wonderful guy
and like wise with John. You will make a
wonderful wife for him. I'd sure is fun to look
into the future ~~has~~ as we have alone so
often but if we really wish hard enough
and try hard ~~not~~ all of our dreams will come
true. There really not dreams I guess because
it is something that is really meant to be.
Good luck Always to a wonderful - understand-
ing sweet gal. As Always a friend
Evelyn (whately, Mahaney)

Dear Joyce
